I think we should exclude the legislature and the courts. We can adjust if the final decision is different.

And one further question: is it all positions in state government or just in the executive branch? in other words, should I exclude legislature and courts?

Rick,

Treat it as one-time and as a non-statutory provision.

Thanks,

Kirsten:

Just got the drafting request for BB0308, relating to giving DOA Secretary power to abolish vacant positions. Question: Is this a one time power for the coming fiscal biennium or a permanent power? If permanent, we will need to put in statutes in s. 16.505 someplace.
